RECIPE INSPIRATION

NO ALCOHOL[®]
NO COMPROMISES

NONA Drinks creates premium non-alcoholic spirits and cocktails from carefully selected herbs. To enjoy non-alcoholic drinks, without compromise.

After her studies as a bio-engineer, Charlotte developed three premium non-alcoholic spirits: NONA June, NONA Spritz, and NONA Ginger, as well as two premium non-alcoholic cocktails: NONA Spritz & Tonic and NONA Mojito.

Her premium spirits and cocktails are the result of a complex and innovative distillation process.

To fully develop the flavor profile of the spirits, Charlotte sought the help of renowned chefs & sommeliers.

"NONA GINGER HAS A PLEASANT COMPLEXITY. YOU TASTE SO MUCH MORE THAN GINGER ALONE; YOU START WITH A SMOOTH CITRUS FLAVOUR THAT THEN DEVELOPS INTO GINGER. PERFECT IF YOU LIKE GINGER WITHOUT IT DOMINATING EVERYTHING."

Mixologist, about NONA Ginger
